PROFESSIONAL
AFFILIATIONS AND
ACTIVITIES:

State Bar of Texas; Member, Section on Business Law 1985 - Present; Chair, Business Law Section, State Bar of Texas 2024-2025

Member, Austin Technology Council 1999 - 2001

Member, Securities Law Committee, Business Law Section, State Bar of Texas. 1993-Present. Chair 2005 - 2014.

- This committee works with state regulators to harmonize state law with federal securities law, draft state legislation, and provide input on enforcement of statutes and regulations relating to offerings, broker-dealer registration and related issues. As chair of the committee and worked on a task force to draft new rules exempting intermediaries in venture capital and other private financing transactions from broker-dealer and investment advisor registration.

Chair, Website Committee, Business Law Section, State Bar of Texas 2014 – 2024.

- This committee designed and supervised web development for the Business Law Section’s website as a medium to provide benefits to 5,000 members of the Section.
- Currently working on content development for the website, www.texasbusinesslaw.org.

Member, Geekdom, 2012 – Present

- Member of co-working and small technology business development organization founded by Graham Weston

Member, Phi Beta Kappa Society

COMMUNITY ACTIVITIES: CURRENT:

CBM, Pg 4

San Antonio Area Council of Girl Scouts

- Committee advises the council on cash-flow projections, long term financial and capital improvement planning and other financial matters.
- Member, Finance Committee, 1992 - Present
- Member, investment Sub-Committee, 2005 - Present
- Work with the San Antonio Area Council of Girl Scouts to identify and price a much-needed capital improvements program for its camps and service center. Through work on the finance committee, I helped the organization identify new potential sources of revenues and strategies for maximizing current sources of revenue such as cookie sales.
- Work with investment sub-committee to choose investment advisors for the Council's endowment and monitor the advisors' performance

PAST:

San Antonio Technology Accelerator Initiative

- Member, Board of Directors, San Antonio Technology Accelerator Initiative ("SATAI") coming out of the City of San Antonio's efforts in promoting technology industry clusters in the San Antonio Community. 1999 - 2005.
- Member, Executive Committee 1999 - 2003.
- The pre-cursor Stewards Committee presided over an inventory of tech assets, meetings of businesses in four tech industry clusters and creation of action plans for development of those industry clusters. Going forward, the Stewards Committee and Board of Directors has created a permanent entity to coordinate the development efforts going forward and utilize over \$2.05 million in matching funds provided by the City of San Antonio for this effort.

National Kidney Foundation of South and Central Texas

- Charitable organization dedicated to preventing kidney disease, helping patients with kidney disease or in need of transplant as well as their families and promoting organ donation. This affiliate serves 45 counties in Texas and several cities including Temple, Austin, San Antonio and Laredo.
- Volunteer and Board Member, 1998 – 2003
- Chairman of the Board, 2000-2001; Executive Committee, 2000-2003
- Chairman of the Board, Endowment Fund. 2000 – 2003
- As a member of the board and executive committee and chairman of the National Kidney Foundation of South and Central Texas, Inc. I have worked with transplant centers at area hospitals

and the Texas Organ Sharing Agency to support transplant patients; with The Vital Alliance to disseminate information about kidney disease and organ donation at health fairs; and with the Texas Diabetes Institute to provide free early evaluation for kidney disease.

- Reorganized the governance structure of the National Kidney Foundation of South & Central Texas to allow the CEO to run the organization and the board to provide policy making direction rather than management of the organization.

Business of Science / Science of Business Seminars

- Co-Chair, with Dr. Mary Pat Moyer, of the Business of Science / Science of Business conferences in San Antonio in 1987 and 1988. The purpose of the conferences was to educate the San Antonio business community about technology and science-based business and to educate the scientific research community about formation of businesses based on their research. The conferences included a case study of Genentech, Inc. the kinds of expertise needed to build a company like that and how they interact as well as a forum on proprietary information and the intellectual property policies of the research institutions and federal government facilities in San Antonio.
