LEADERSHIP PHILOSOPHY

Balanced, caring, and knowledgeable educator who embraces challenges and opportunities for risk-taking and growth. Focused on engaging and empowering thoughtful educators and students to build relevant and engaging learning experiences in and out of the classroom.

Known for steadfast dedication and leadership in providing an engaging and balanced educational experience for all learners. Experienced in aligning curriculum standards within the PYP framework that supports and empowers student agency and emotional well-being. Possesses analytical and problem-solving skills to support a school's mission and vision. Strong organizational and interpersonal skills, which have helped cultivating relationships within an internationally minded community.
