BOOKS IN PROGRESS

The Ten Suicides of Celeste Navarro (Magical Realism/Historical Fiction novel)

Four generations of Tejana women unravel two hundred years of Texas history by unpacking the personal stories of the family matriarch, 189-year-old Celeste. Born illegitimately to a survivor of the battle of the Alamo and raised by a former slave—both taken into the mission under the care

of Jim Bowie—the spirited and ever-enduring Celeste and her caretaker, Ruby, a 5X great granddaughter, along with Ruby’s daughter and mother, redefine what it means to be a Texan.
