Service

Service to students included extending the teaching environment by inviting students to attend different guest speaker events on campus and by facilitating engaged attendance in the virtual criminology conference, CrimCon (Criminology Consortium) in 2020 and by personally inviting Dallas PD to speak to my classes in September and October 2021. I have also volunteered in the **Future Jaguar Day** events every year of my tenure (2020-2024), which is an important role given it is the first impression prospective first year, transfer, and graduate students get of our program. I also participated in the **Virtual Transfer Student Session** in June 2021 as well as the **Transfer Student Welcome Panel** on August 9, 2021. I also volunteered to participate in the **First-Year Experience Faculty Advising Program** where I advised students during the 2021-2022 school year. Finally, I volunteered to attend **First Year Orientations** in July and August 2024. Finally, and most importantly, I was influential in assisting a student (Emily Spickert) with being hired by the Dallas Police Department by providing her a letter of recommendation and helping a student (Romelia Esquivel) secure a \$5,000 scholarship by providing her with an endorsement.

Regarding service to the university, I served on the following committees:

Land Acknowledgement Committee from 12/20 – 3/21.

Search committee for the Administrative Associate V Position in October 2023

Search committee for the position of campus Chief of Police in January 2024.

Community service included volunteering to be interviewed by Emilie Eaton of the San Antonio Express-News. Story centered on how former police officers fired from one agency find employment with another agency. The story was entitled, *Three San Antonio police officers, fired by SAPD, were later hired by Leon Valley. Here's Why.* (<https://www.expressnews.com/news/local/article/Three-San-Antonio-police-officers-fired-by-SAPD-15383921>).

I also volunteered to be interviewed by Dallas Williams on Texas Public Radio on the live call-in talk show "The Source." The full interview is now available on our website: <https://bit.ly/3iBPtY3>.

Presentations

- Presenter at the OSHA Workplace Violence Prevention Seminar: Prevention Techniques & Active Shooter Preparedness in 2013.
