Professional Education

Degree	Institution	Date Granted
Ph.D.	University of Arkansas Fayetteville, AR <i>Experimental Psychology, Concentration: Cognition</i> <i>Dr. James Michael Lampinen, Dissertation Advisor</i> Dissertation title: Recognition Training for Faces across Age Gaps	2016
M.A.	University of Arkansas Fayetteville, AR <i>Experimental Psychology, Concentration: Cognition</i> <i>Dr. James Michael Lampinen, Thesis Advisor</i> Thesis title: Temporal shifts in weapon focus: Comparing retrograde and anterograde effects	2012
B.S.	Henderson State University Arkadelphia, AR <i>Psychology, Highest Honors - Summa Cum Laude</i> <i>Honors College, communication minor</i> Honors Thesis title: The Effects of Three Dosages of GBE-761 on Semantic and Procedural Memory: A Double-Blind Placebo Controlled Study	2009
A.A.	National Park Community College Hot Springs, AR <i>Liberal Studies, Highest Honors – Summa Cum Laude</i>	2007

Positions/Employment

Texas A&M University-San Antonio <i>Assistant Professor of Psychology</i>	September 2018-present
Texas A&M University-Commerce <i>Ad-Interim Assistant Professor of Psychology</i>	August 2017-May 2018

University of Missouri
Postdoctoral Research Fellow July 2016-August 2017
Memory and Cognitive Aging Laboratory, Advisor: Dr. Moshe Naveh-Benjamin

University of Arkansas
Lecturer May 2016-June 2016
Graduate Research Assistant May 2012 – August 2015
Law & Psychology Research Group, Advisor: Dr. James Michael Lampinen
Graduate Teaching Assistant August 2011 – May 2016
Howell's Research Assistant August 2010 – August 2011

Grants

Current Research

Civil Money Penalty Reinvestment Grant Fall 2022 – Summer 2025
Texas Department of Health and Human Services
\$374,229.76
Bingocize: Social and Physical Engagement to Enhance Quality of Life
Role: Program Evaluator

College of Arts and Sciences Summer Faculty Research Grant Summer 2020
Texas A&M University – San Antonio
\$2987
Impact of individual differences among eyewitnesses to crimes on their propensity to choose members of police lineups
Role: Principal Investigator

Research Council Grant April 2019 – March 2021
Texas A&M University – San Antonio
\$5000
Applied Research in Cognitive Aging
Role: Principal Investigator

Completed Research

Grant #1155207 (PI: James Michael Lampinen) March 2012 – February 2017
National Science Foundation – Law & Social Sciences Program
\$300,587
