PROCTORIO INFORMATION

Proctorio-Exam Proctoring Software

In order to ensure course integrity, students enrolled in this course may use a Remote test-Proctoring software for the administration of exams, if allowed and is set up by the instructor. Testing Sessions will be recorded.

Proctorio is a Learning Integrity resource

This course will use Proctorio, a browser-locking and remote proctoring solution designed to protect the integrity of this course's assessments, within some of your Connect assignments. As your instructor, I've chosen the secure exam settings required by this course, and only I will make a judgment as to any potential academic integrity violation.

Assignments with Proctorio

You'll be able to see which assignments in Connect include Proctorio settings because they will be clearly labeled with "**Proctoring Enabled**" in the assignment title. The settings that I use may vary depending on the assignment. When you start a proctored assignment, the settings in use will be indicated.

Proctorio Minimum System Requirements

Proctorio offers a flexible service, which may include recording of video, audio, and screen activity or none of the above. The [Proctorio system requirements](#) are dependent on the exam settings and may require a webcam and a microphone. Test takers are encouraged to use a practice exam to test their system prior to taking an exam. Virtual machines and proxy connections will not work.

Equity and Fairness

The reason I've chosen to enable Proctorio settings for specific assignments (Exams) in this course is to make education more equal by allowing each student to earn the grades they deserve. The US Federal Government also requires that all schools have a process in place for verifying student identity to protect against Federal Student Aid (FSA) fraud.

Privacy

Proctorio is a trusted resource for remote proctoring because of the company's commitment to student privacy. Proctorio uses single sign-on through Connect, and only I or approved individuals, here at our institution, will have access to your exam data. Proctorio never requires personally identifiable information from students, and Proctorio will never sell your data to third parties. Read more about [Proctorio's approach to privacy](#).

Security

Proctorio only runs as an **extension in your Chrome browser**. This means that Proctorio works within a sandbox and has limited access to your computer system, unlike traditionally installed software applications that have complete access to your computer's hard drive, or other resources.

Proctorio does not continuously run in Connect. Proctorio only runs while you are taking your proctored Connect assignment. (Exam). After your proctored assignment ends, you may uninstall the extension by right-

clicking on it, to bring you peace of mind. Just remember, if you choose to do this, you'll need to reinstall the extension again before starting your next proctored assignment.

All student data is kept safe using zero-knowledge encryption, meaning student data is scrambled and unreadable by anyone outside of our institution's learning platform. Proctorio cannot see your proctored assignment data. Read more about [Proctorio security](#).

Getting Started with Proctorio

Before getting started on your first proctored assignment, please watch the Student Orientation Video on Proctorio, and then make sure to follow the instructions in [Proctorio's Quick Start Test Taker Guide](#) for the extension. To verify your computer system meets the requirements, take the practice quiz. This will ensure that everything will run smoothly on the day of the proctored assignment.

If, after reading the Quick Start Test Taker Guide, you have any trouble while using Connect & Proctorio, you can access quick help guides or reach out to Connect or Proctorio support for troubleshooting. Support can assist in troubleshooting any extension related issues before, during, and after your proctored assignment.

Connect Technical Issue?

If you experience a technical issue or have a question, please contact [McGraw Hills Tech support team](#) (**make sure to get a case number**). You can reach them at **1-800-331-5094**. The **University Helpdesk** number is: **210-784-HELP**. Remember to save your Helpdesk ticket (email) and/or the Case number from McGraw Hill.

Written Assignments

All written assignments are to be submitted to the **Assignments tab on Blackboard**. For all team assignments, **submit ONE paper per team. WORD documents only (no PDF files)**. (Refer to Blackboard for additional information). (I do not accept individual submissions) Missing sections will have an impact on your overall grade. (**Note: if a team member fails to submit his or her section, the team is responsible for completing those sections**).

APA Requirements: Use the following **APA style** formatting: 12 pt. font, 1" margins, double spacing, section/paragraph headings, title page, reference page, page numbers and in-text citations. (no abstract)

Turnitin Information

The Marketing Plan is a **'Turnitin assignment'**. You may submit the paper to Turnitin multiple times (if you need to edit and resubmit the paper) if you are over the 15% match requirement. Anything over 15% will be reviewed for plagiarism. (Refer to Student Handbook and Student Code of Conduct).

**** NOTE:** Turnitin has AI embedded software. ****Submit ONE paper per team. ****

AI (Artificial Intelligence) Statement: No Use of Generative AI Permitted

MKTG 3311 assumes that all work submitted by students will be generated by the students themselves, working individually or in groups. Students should not have another person/entity do the writing of any portion of an assignment for them, which includes hiring a person or a company to write assignments and/or using artificial intelligence (AI) tools like ChatGPT. Use of any AI-generated content in this course qualifies as academic dishonesty and violates Texas A&M-San Antonio's standards of academic integrity.

What if my Team Member(s) are not Participating?

You will be assigned to a **TEAM** for the **MARKETING PLAN Assignment**. (See **'Marketing Plan Outline' on BB for further instructions**.) Students who fail to engage with their team (e.g. failing to reply to voice messages, text, and or email messages; failure to attend online team meetings or chat; failure to post to the

assigned team virtual work space), risk being dropped from their team.

A unanimous vote of active members is required to pursue a drop. Members planning on a *vote to drop* a member must email the student (and copy me) alerting them of this action. Students dropped from their team will receive a score of zero for the semester project (and will likely have to drop the course). Students dropped may appeal this action and must provide evidence of their engagement for consideration of reinstatement. My decision will be final.

How Many Team Assignments are Required?

Your team will complete 3 assignments:

- 1) **TEAM CHARTER**
- 2) **TEAM TOPIC FORM**
- 3) **MARKETING PLAN**

The **Team Charter** is your team ‘Contract’. It spells out what the rules and expectations are for your team. The **Topic Form** identifies your topic and includes a few other marketing questions. Please download the form (on Blackboard in Course Content) fill it out completely (if you do not fill out the form completely, or submit it after the due date, I can not accept it). If you discuss your individual grades with team members, the form becomes invalid. and email it to me at lisa.siegal@tamusa.edu. (or through Blackboard messages). ** Include your Class Section and Team Letter in the subject line of the email. This form must be submitted on or before the assignment is due date. (NOTE: remember that the evaluations are PER assignment—Topic Form, Charter, Team Paper).

Peer Evaluation Forms should be considered as a Team Report Card for yourself and your teammates. It is 100% confidential.

**Please note: Based on the LT Evaluations you submit, I reserve the right to give individual team members separate grades. Please do not discuss your grade(s) with your team members.

Using Group Communication Tools on BB:

You can access the Group tools to communicate with other group members and fulfill your group assignment. Go to **My Groups**. You can use the Virtual classroom, or Chat to collaborate with group members. From My Groups, click on **Collaboration**. Then click on create collaboration session. Select chat or virtual classroom and then click submit. Any group member can create collaboration sessions.

COVID-19 protocol

If you have COVID-19 symptoms, had exposure to COVID-19, and/or are confirmed to have COVID-19, refrain from coming to campus and self-report in the online COVID-19 Reporting Portal found at: https://redcap.link/TAMUS_COVID_PORTAL for further guidance.

Drop Policy

You may drop the course with an automatic grade of W on or before the date listed in the academic calendar at www.tamusa.edu. The last date to drop a course, or withdraw from the University is also indicated in the academic calendar on the university website (www.tamusa.edu). If you wish to drop the class, you must submit the necessary paperwork to the proper authority. Students dropping a course are subject to all conditions listed in the university catalog.

The Six-Drop Rule

Students are subject to the requirements of Senate Bill (SB) 1231 passed by the Texas Legislature in 2007. SB 1231 limits students to a maximum of six (6) non-punitive course drops (i.e., courses a student chooses to drop) during their undergraduate careers. A non-punitive drop does not affect the student's GPA. However, course drops that exceed the maximum allowed by SB 1231 will be treated as "F" grades and will impact the student's GPA.

Financial Aid and Verification of Attendance

According to the following federal regulation, 34 CFR 668.21: U.S. Department of Education (DoE) Title IV regulation, a student can only receive Title IV funds based on Title IV eligibility criteria which include class attendance. If Title IV funds are disbursed to ineligible students (including students who fail to begin attendance), the institution must return these funds to the U.S. DoE within 30 days of becoming aware that the student will not or has not begun attendance. Faculty will provide the Office of Financial Aid with an electronic notification if a student has not attended the first week of class. Any student receiving federal financial aid who does not attend the first week of class will have their aid terminated and returned to the DoE. Please note that any student who stops attending at any time during the semester may also need to return a portion of their federal aid.

These could include maintaining a safe distance from substances, areas, and activities known to be hazardous to pregnant individuals and their unborn child; excused absences because of illness or medical appointments; modified due dates for assignments; rescheduled tests/exams; taking a leave of absence; and being

provided access to instructional materials and video recordings of lectures for excused absences, if these would be provided to any other student with an excused absence. Pregnant/parenting students are encouraged to contact the Title IX Coordinator with any questions or concerns related to their status (titleix@tamusa.edu; 210-784-2061; CAB 439K).

Texas A&M-San Antonio has also designated the Title IX Coordinator as the liaison officer for current or incoming students who are the parent or guardian of a child younger than 18 years of age. The Title IX Coordinator can provide students with information regarding support services and other resources.

Students' Rights and Responsibilities

The following statement of students' rights and responsibilities is intended to reflect the philosophical base upon which University Student Rules are built. This philosophy acknowledges the existence of both rights and responsibilities, which is inherent to an individual not only as a student at Texas A&M University-San Antonio but also as a citizen of this country.

Students' Rights

1. A student shall have the right to participate in a free exchange of ideas, and there shall be no University rule or administrative rule that in any way abridges the rights of freedom of speech, expression, petition and peaceful assembly as set forth in the U.S. Constitution.
2. Each student shall have the right to participate in all areas and activities of the University, free from any form of discrimination, including harassment, on the basis of race, color, national or ethnic origin, religion, sex, disability, age, sexual orientation, or veteran status in accordance with applicable federal and state laws.
3. A student has the right to personal privacy except as otherwise provided by law, and this will be observed by students and University authorities alike.
4. Each student subject to disciplinary action arising from violations of university student rules shall be assured a fundamentally fair process.

Students' Responsibilities

1. A student has the responsibility to respect the rights and property of others, including other students, the faculty and administration.
2. A student has the responsibility to be fully acquainted with the published University Student Rules found in the Student Handbook, [Student Code of Conduct](#), on our website, University Catalog and to comply with them, as well as federal, state, and local laws.
3. A student has the responsibility to recognize that student actions reflect upon the individuals involved and upon the entire University community.
4. A student has the responsibility to recognize the University's obligation to provide an environment for learning.
5. A student has the responsibility to check their university email for any updates or official university notification.

We expect that students will behave in a manner that is dignified, respectful, and courteous to all people, regardless of sex, ethnic/racial origin, religious background, sexual orientation or disability. Behaviors that infringe on the rights of another individual will not be tolerated.
