It is the responsibility of the clinical teacher to inform the cooperating teacher, university teaching specialist, and the school office as early as possible in case of an illness or absence. Unexcused absences may result in removal from the placement and dismissal from the clinical teaching program. **STUDENTS MUST COMPLETE AN ABSENCE SHEET FOR ALL ABSENCES-EVEN PARTIAL DAYS. (EXCLUDING CAMPUS SEMINAR DAYS).**

ATTENDANCE POLICY AND REQUEST FOR ABSENCE

INCOMPLETES AND REPEATS:

In very rare cases, in order to exhibit proficiency in concept mastery and performance requirements, students may need additional time or may need to repeat a semester of clinical teaching. The EDUCATOR CAFÉ PROGRAM, based on recommendation by the Field Supervisor or cooperating teacher, may require a student to complete an additional week of clinical teaching at the end of the semester. This most often occurs when a student has been placed on a growth plan and needs a little more time to show progress.

If the Field Supervisor or the Cooperating Teacher cannot fully support the recommendation of the clinical teacher for certification, will receive an “F” for the course and the clinical teacher may be required to repeat clinical teaching during the next semester that it is offered. Students may only repeat clinical teaching once.

Incompletes will be issued only in very rare occasions and only after every attempt is made to complete the clinical teaching requirements within the semester. In order to qualify for an Incomplete, at least 70% of clinical teaching requirements must have been met and evidence of extreme extenuating circumstances must be approved by the EDUCATOR CAFÉ PROGRAM Faculty. Candidates who do not complete 70% of the clinical teaching requirements will not receive credit for the semester.

STUDENTS WHO PERFORM BELOW STANDARDS OR CUT SCORES MAY BE NEED A FITNESS TO TEACH (FTT). STUDENTS IDENTIFIED AS HAVING SIGNIFICANT CONCERNS WILL BE PLACED ON A GROWTH PLAN:

FITNESS TO TEACH

Note: The College of Education and Human Development will not recommend students for certification who do not meet qualifying criteria. Admission to the program does not guarantee fitness to remain in the program. Only those students who meet program standards will be allowed to continue in the program. Students pursuing an initial teacher’s certification must meet fitness to teach standards that are assessed by faculty and program staff throughout the program. These standards include demonstration of emotional and mental fitness in their interaction with others as well as conformance with the code of professional educator ethics of the state of Texas. Students who fail to demonstrate fitness or conformance to appropriate codes may be asked to enter a remediation plan in order to remain in the program.

If a remediation plan is developed, students must demonstrate satisfactory remediation prior to being allowed to proceed toward graduation. In rare cases, a student’s ability to practice may exceed remediation and removal from the program is possible.

Periodically in each candidate’s preparation, there will be checkpoints at which faculty, teaching specialists and cooperating teachers will assess professional dispositions. Candidates who are identified as having significant concerns will be required to correct the areas of concern and may be placed on a growth plan.

All A&M-SA students placed in schools are expected to adhere to the Code of Ethics and Standard Practices for Texas Educators.

Note: Students exhibiting a pattern of concerns will be referred to the Assistant Dean. Failure to remediate areas of concern may result in a recommendation for the student to be dropped from the Educator CAFÉ. Students dropped from the Educator CAFÉ will be required to shift to a non-certification degree program in order to graduate. Students who are required to change to a non-certification degree plan will not be allowed to change back to a certificate degree plan.

Financial Aid and Verification of Attendance: According to the following federal regulation, 34 CFR 668.21: U.S. Department of Education (DoE) Title IV regulation, a student can only receive Title IV funds based on Title IV eligibility criteria which include class attendance. If Title IV funds are disbursed to ineligible students (including students who fail to begin attendance), the institution must return these funds to the U.S. DoE within 30 days of becoming aware that the student will not or has not begun attendance. Faculty will provide the Office of Financial Aid with an electronic notification if a student has not attended the first week of class. Any student receiving federal financial aid who does not attend the first week of class will have their aid terminated and returned to the DoE. Please note that any student who stops attending at any time during the semester may also need to return a portion of their federal aid.

Writing, Language, and Digital Composing Center: The Writing, Language, and Digital Composing Center supports graduate and undergraduate students in all three colleges as well as faculty and staff. Meeting Basic Needs: Any student who has difficulty affording groceries or accessing sufficient food to eat every day, or who lacks a safe and stable place to live, and believes this may affect their performance in the course, is urged to contact the Dean of Students (DOS@tamusa.edu) for support. Furthermore, please notify the professor if you are comfortable in doing so. This will enable them to provide any resources they may possess.

Military Affairs: Veterans and active-duty military personnel are welcomed and encouraged to communicate, in advance if possible, and special circumstances (e.g., upcoming deployment, drill requirements, disability accommodations). You are also encouraged to visit the Patriots' Casa in-person room 202, or to contact the Office of Military Affairs with any questions at military.va@tamusa.edu or (210)784-1397.

Religious Observances: Texas A&M University-San Antonio recognizes the diversity of faiths represented among the campus community and protects the rights of students, faculty, and staff to observe religious holidays according to their tradition. Under the policy, students are provided an opportunity to make up any examination, study, or work requirements that may be missed due to a religious observance provided they notify their instructors before the end of the second week of classes for regular session classes.

The Six-Drop Rule: Students are subject to the requirements of Senate Bill (SB) 1231 passed by the Texas Legislature in 2007. SB 1231 limits students to a maximum of six (6) non-punitive course drops (i.e., courses a student chooses to drop) during their undergraduate careers. A non-punitive drop does not affect the student's GPA. However, course drops that exceed the maximum allowed by SB 1231 will be treated as "F" grades and will impact the student's GPA.

Statement of Harassment and Discrimination: Texas A&M University-San Antonio is committed to the fundamental principles of academic freedom, equality of opportunity and human dignity. To fulfill its multiple missions as an institution of higher learning, A&M-San Antonio encourages a climate that values and nurtures collegiality and the uniqueness of the individual within our state, nation, and world. All decisions and actions involving students and employees should be based on applicable law and individual merit. Texas A&M University-San Antonio, in accordance with applicable federal and state law, prohibits discrimination, including harassment, on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, gender expression, or pregnancy/parenting status. Individuals who believe they have experienced harassment or discrimination prohibited by this statement are encouraged to contact the appropriate offices within their respective units.

Texas A&M University-San Antonio faculty are committed to providing a safe learning environment for all students and for the university as a whole. If you have experienced any form of sex- or gender-based discrimination or harassment, including sexual assault, sexual harassment, domestic or dating violence, or stalking, know that help and support are available. A&M-San Antonio's Title IX Coordinator can support those impacted by such conduct in navigating campus life, accessing health and counseling services, providing academic and housing accommodations, and more. The university strongly encourages all students to report any such incidents to the Title IX Coordinator. Please be aware that all A&M-San Antonio employees (other than those designated as confidential resources such as counselors and trained victim advocates) are required to report information about such discrimination and harassment to the university. This means that if you tell a faculty member about a situation of sexual harassment or sexual violence, or other related misconduct, the faculty member must share that information with the university's Title IX Coordinator (titleix@tamusa.edu, 210-784-2061, CAB 439K). If you wish to speak to a confidential employee who does not have this reporting requirement, you can contact the Student Counseling Center at (210) 784-1331 or visit them in Madla 120.

Pregnant/Parenting Students: Texas A&M-San Antonio does not require a pregnant or parenting student, solely because of that status or issues related to that status, to (1) take a leave of absence or withdraw from their degree or certificate program; (2) limit the student's studies; (3) participate in an alternative program; (4) change the student's major, degree, or certificate program; or (5) refrain from joining or cease participating in any course, activity, or program at the University. The university will provide reasonable accommodations to pregnant students that would be provided to a student with a temporary medical condition and that are related to the health and safety of the student and the student's unborn child. These could include maintaining a safe distance from substances, areas, and activities known to be hazardous to pregnant individuals and their unborn child; excused absences because of illness or medical appointments; modified due dates for assignments; rescheduled tests/exams; taking a leave of absence; and being provided access to instructional materials and video recordings of lectures for excused absences, if these would be provided to any other student with an excused absence. Pregnant/parenting students are encouraged to contact the Title IX Coordinator with any questions or concerns related to their status (titleix@tamusa.edu; 210-784-2061; CAB 439K).

Texas A&M-San Antonio has also designated the Title IX Coordinator as the liaison officer for current or incoming students who are the parent or guardian of a child younger than 18 years of age. The Title IX Coordinator can provide students with information regarding support services and other resources.
